Important Information: All software must be purchased or provided before installation. Please backup your data before leaving your system. Your data may be lost. If your system will not boot and you request that we attempt data backup, this will result in additional an labor fee for the backup attempt. We cannot guarantee that backup will be successful. Time to diagnose is 2-3 days under normal circumstances. May be longer at the beginning of the semester or during a virus outbreak. If parts must be ordered, the shipping time will extend the turnaround time. * Lowest price guarantee applies to labor costs and local repair centers only. Labor warranty does not apply to virus removal.
